All Welcome - Timetable 2017 –2018 – Observatory meetings start at 7.30 pm

Every 2nd Thursday will start with Stu Ridley's 'What's up there this month' review

Thursday 14 September 2017	Relativity and space	DR
Thursday 28 September 2017	Casual meeting- use telescope if clear	ALL
Thursday 12 October 2017	Photography (Jeremy Hunt, Cockermouth Society)	JHU
Thursday 19 October 2017	Eycott Hill (outdoor event)	DR
Friday 20 October 2017	(possible alternative of addition to above)	DR
Thursday 9 November 2017	The Moon (if fine possible visit to Roger Drew's Observatory instead, decide earlier in week)	THA RDR
Thursday 23 November 2017	Outdoor event Featherstone (see Special Events)	ALL
Thursday 14 December 2017	Cassini, Saturn (and Christmas party)	DR
Thursday 11 January 2018	Watchtree outdoor event (public viewing) (See special event page)	ALL
Thursday 25 January 2018	Casual meeting - use telescope if clear	All
Thursday 8 February 2018	Exoplanets – Stuart Atkinson, Eddington Society	SAT
Thursday 22 February 2018	Casual meeting - use telescope if clear	All
Thursday 8 March 2018	RSPB Geltsdale - outdoor event Booking essential – (see special event page)	ALL
Thursday 22 March 2018	Casual meeting	All
Thursday 12 April 2018	Visit to Roger Drew's observatory or talk deferred earlier	RDR THA

Notes: If a clear sky is forecast a day or two before either 9 November or 14 December then the presentation for that evening may be deferred and replaced with a visit to Roger Drew's observatory. The deferred presentation would then be given on 12 April 2018.

Border Astronomical Society Speakers are: DRA = David Ramshaw, RDR = Roger Drew, THA = Terry Haighton, SRI Stuart Ridley, CDA = Chris Darwin (Cockermouth Society), SAT = Stuart Atkinson (Kendal Society), JHU = Jeremy Hunt (Cockermouth Society).

Informal meetings will be devoted to general discussion, maintenance of the observatory and telescope and observing if fine. Informal meetings will continue over the Summer period on 2nd and 4th Thursdays of each month.
