

The Night Sky from Featherstone Village Hall

with the Border Astronomical Society
of Trinity School Observatory, Carlisle.

In aid of Village Hall funds

Thursday 23 November 2017

7.30 to 9.00 pm in the evening (possibly later if fine)

We will begin with a short:

'What's Up There Tonight' presentation in the village hall
followed by a viewing session outside, if fine.

If the sky is clear we should be able to view the moon as it is coming up to first quarter and several deep sky objects such as the Andromeda Nebula

There will be a £2 charge
tea and coffee included.
Any queries please ring Brigid
on
07561 432607

If no observing is possible due to inclement weather then a member of the Society will give an illustrated presentation about the society and what we do. This will be followed by an illustrated talk on an astronomical topic.

Border Astronomical Society do not charge a fee but a donation box will be available

Come well wrapped up. It will be cold!
